

NIELIT

INTERNSHIP PROGRAM

About Us

DATA-Q has earned strong recognition through accreditation by NIELIT under the Ministry of Information Technology, Government of India, for "O", "A", and "B" level courses. It has also served as an implementation partner for the Government of West Bengal's IT Education & Training initiatives at major colleges. Several institutions, including Shri Shikshayatan College and Netaji Satabarshiki Mahavidyalaya, have adopted NIELIT computer courses and Python programming for their students. DATA-Q takes pride in partnering with these reputed colleges and stands as the district's only computer training center authorized to issue nationally recognized, AICTE-approved certificates under the National Council for Vocational Education.
